

Oliver Neubert

Dear Parents/Guardians

Your school recently arranged to host a visit by the local Vancouver author Oliver Neubert. When students experience an author visit, they often like to purchase some of that author's books and have them autographed.

(In fact, studies show a link between "owned" books and keenness for reading.)

To be part of the school book order, please complete this form and return it with payment to the school

by: _____

Chantel's Quest is a four book series for grade 2 and up, and highly recommended for reluctant readers right through to grade 7.

For more information on the author you can visit his web site at www.oliverneubert.com
